

This disc contains information from the country of Sri Lanka. J S B Sironmoni, a native of Sri Lanka, now living in Coimbatore India, visited Sri Lanka for this purpose, to collect names from Head Stones in cemeteries where his family members were buried. He gave the hand written notes to me (Connie Fry) who was at the time serving a couple mission in Sri Lanka, (Formerly we served in Coimbatore 93-95). I am sending this information to the Genealogy Department for what ever use they may wish. I believe that I copied the information correctly, however, Bro. Sironmoni said he may have made a mistake on one of them. Most we believe to be correct. Thank you, Sister Fry, for Bro Sironmoni.
